HO Scale Model Circus catalog

This smaller version of our larger catalog features a few items we make for only the HO model circus builder. All illustrations and color display items can be found on our web site CIRCUS MODEL STORE Just convert the item prices you need to HO instead of the "O" scale shown by 1/2. (E.g. \$10.00 O scale = \$5.00 HO scale etc.)

A word of advice and clarity there are many vendors out on the web that handle this scale more effectively than we do. But we will try to meet your needs to the best of our ability. If we can't, we won't BS you, we'll hook you up with another vendor we feel can.

We know that when a customer comes to us for specific items, they may not have been able to find it elsewhere. We don't take that lightly, knowing that you may just have exhausted all of your research options; so, we appreciate your interest and business and will strive to do the best we can to help you.

Our Number one sales item are the Tents (we do build in most scales up to $\frac{3}{4}$ " scale)

All Tops include all necessary rigging/ stakes and guy lines for setup on your Lay-out when received. All poles are pre-painted unless you prefer otherwise. We use the best fabric with the finest tight weave to replicate the actual canvas texture for this scale. Unless stated otherwise all our tops come in natural light tan color /contrasting colored seam stitching thread.

Note items # 3 & # 4 can be used as sides show, or menagerie tops, everything stays the same.

All Tops are light tan or off-white colored canvas / contrasting threaded seams.

Our next favorite product in HO scale has been the rings curb sets, with pre-designed color schemes. These come completed as a set of three for \$ 25.00 or one ring for \$10.00. The cost covers printer ink and sealants for the other designs.

Above you can see other products we offer:

1. Rings with mats
2. Seats
3. **Arena** for center ring (note the actual arena is more like the current day arena made of screen /netting). Not currently available in HO at this time.
4. Props and Ariel equipment (not shown)
